When will buses depart? When will buses return?

While times are not exact, buses will depart around 1pm on Friday, June 20 from the Saddleback Lake Forest campus. Buses will return around 12pm on Monday, June 23. We will use text to communicate timing updates.

Can I drive my child to camp?

In the interest of safety and security, children must arrive and depart on the buses with their cabin.

Who will my child's camp counselor be?

Camp Counselors are a mix of active Saddleback Kids leaders, as well as parents of kids who are attending camp. All camp counselors go through our leader onboarding process, which includes a background check, interview, training, and for adult leaders, fingerprinting. [Counselor requests](#) can be made during the registration process. As camp gets closer, you will be notified of your camp counselors and all children in your child's cabin. If you're interested in serving as a counselor, fill out the *Counselor Application!*

Will my child be able to be in a cabin with their friend?

Friend requests can be made during your child's registration process. We do our best to honor all friend requests, but early registration for both parties will help ensure friend requests can be met.

What will my child do each day?

Your child will participate in live worship, chapel time, personal devotions, cabin connection, team competitions and free time/rec activities. Rec activities at Camp Pondo include (but are not limited to) a giant pool slide, a rock-climbing room, zipline, a giant swing, and tree climbing. Breakfast begins at 8:30am. Lights out is no later than 10pm.

What does my child need to bring to camp?

As camp gets closer, we will send you a list of required items for camp. We'll also let you know your child's team color, so that you can plan accordingly. If you need to list sooner, e-mail sarab@saddleback.com.

What if my child has health concerns?

During your registration process, you will let us know about any medical needs, medications, or any allergies they have (including food allergies). The camp cook will accommodate food allergies. We also have a nurse who will be present for the duration of camp to distribute medications as well as be available.

Can my child invite a friend?

Yes! Your child is welcome to invite a friend. Our hope for SK Summer Camp is that all children leave with a deeper relationship with Jesus.
